*Your sponsorship helps Hospice
of Central Pennsylvania to offer...*

*Comfort and Hope
When Time Together
Matters Most*

From our inception in 1979, Hospice of Central Pennsylvania has been dedicated to offering our patients and families compassionate care when there is no cure.

As an independent, non-profit hospice, our sole purpose is to preserve the dignity, integrity and personal choices of our patients and their families.

Our team of specially trained staff includes a Medical Director, nurses, social workers, hospice aides, chaplains, bereavement counselors, volunteers, a massage therapist and a music practitioner.

Working alongside the patient's personal physician, our hospice staff provides emotional, physical, psychological and spiritual support wherever the patient resides.

While most of our patients choose to remain at home, we provide care in hospitals, nursing homes, assisted living facilities and at our hospice residence.
