hcp | Hospice of Central PA

Hospice is a philosophy of care supported by a specialized field of medicine that helps patients and families who are dealing with serious illness. This approach provides comfort and quality of life rather than curative treatment.

Your support ensures that HCP will continue to provide services regardless of an individual’s ability to pay.

Joyce Acri Memorial Luncheon

Join us for the Joyce Acri Memorial Luncheon at the HCP Ladies’ Classic. The luncheon is named after Joyce Acri, a beloved committee member. Joyce served as Co-Chair of the Ladies’ Classic for many years and was the coordinator of the silent auction. Joyce was a cheerful friend and mentor to many on the committee. She is missed, but we look forward to remembering her generous spirit every year at the luncheon.
