2025 Ladies' Classic Sponsorship Impact

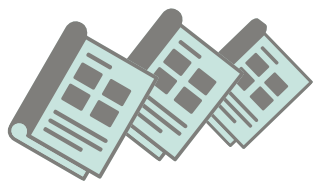

Kate was a fun-loving mother of two boys and the loudest cheerleader at every game. She and her husband, Joe, adored their sons—and they adored her right back.

When Kate was diagnosed with ovarian cancer, her family was devastated. After surgery and chemotherapy, her outlook improved, and for four years they embraced life's big and small moments with gratitude.

Before a routine check-up, Kate sensed something was wrong. Tests showed her cancer had returned and spread. After difficult treatments and a clinical trial, Kate chose to stop aggressive care and turn to Hospice of Central PA for comfort and support—for herself and for her guys.

With the help of her HCP care team, Kate enjoyed several meaningful months: hiking at Gifford Pinchot State Park, picnicking at City Island, and spending quiet evenings with loved ones. When she passed, she was surrounded by her family, who found comfort in the memories they had created together.

More patients like Kate need your help. Become a Golf Classic sponsor to ensure compassionate care for those who need it most.

Over **3,200** households received the **Hospice Horizons** newsletter that promoted the Ladies' Classic.

Days of compassionate end-of-life care were provided for patients in the communities we serve with the **\$28,000** raised in the 2025 Ladies' Classic.

Patients and their families are cared for by HCP every day.
